Visitors Health Precautionary Measures at Abu Dhabi International Book Fair 2021

All visitors to the fair will need to register in advance before visiting, and can obtain an electronic access card through the exhibition website: www.adbookfair.com or through the mobile app.

In order to enter the exhibition, visitors will be required to present a negative PCR swab test result (48 hours), or the [*] or [E] sign on Al Hosn App.

Before arrival visitors are asked to install and activate the Al Hosn contact tracing app on their Smartphones.

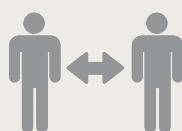

The temperature of all attendees will be checked at the entrance.

Electronic tickets will be scanned from smartphone screens at the entrance.

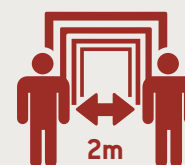

The maximum visit duration is three hours, and visitors will be provided with a corresponding coloured paper bracelet upon entry.

Due to social distancing measures entry will be suspended when maximum capacity is reached.

Visitors are asked to exit the halls from the designated gates once their specified time is complete.

Social distancing measures are in place and all visitors are asked to maintain a safe distance of two metres between one another in corridors.

Face masks are required to be worn at all times.

If a visitor develops symptoms of Covid19- whilst at the fair, organisers should be alerted as soon as possible.

All visitors are asked to adhere to the instructions and circulars issued by the official authorities in the UAE.
